Dear Sirs

PROPOSED ACQUISITION OF MARIADB PLC BY K1 INVESTMENT MANAGEMENT, LLC

I refer to the Rule 2.7 announcement published by K1 Investment Management, LLC (**K1**) on 24 April 2024 in relation to the proposed acquisition of MariaDB plc (the **Company**).

Under the proposed transaction, Meridian Bidco LLC (**BidCo**), a wholly owned Affiliate of K1, proposes to acquire the entire issued and to be issued share capital of the Company pursuant to the Takeover Offer or Scheme, substantially on the terms and subject to the conditions set out in the Rule 2.7 Announcement published on 24 April 2024, a copy of which is attached at Schedule 2 hereto, which terms may be revised on no less favourable terms (including as to price) pursuant to a revised Rule 2.7 Announcement or Offer published after the date of the Rule 2.7 Announcement (the **Proposed Transaction**).

I understand that the Proposed Transaction is currently expected to be implemented by way of the Takeover Offer and that it is proposed that the terms of the Takeover Offer will be contained in an offer document addressed, *inter alia*, to the shareholders of the Company that would be an offer document for the purpose of the Rules and the Act (the **Offer Document**).

This Undertaking sets out the terms and conditions on which I will accept (or procure acceptance) in favour of the Proposed Transaction and the Takeover Offer or, if applicable, vote (or procure a vote) in favour of the Scheme, in respect of the Subject Shares.

Capitalised terms used in this Undertaking shall have the meaning given to such terms in paragraph 12 below unless otherwise defined.

1. Shareholdings

I hereby irrevocably and unconditionally represent and warrant to you that:

- 1.1 set out in part 1 of Schedule 1 are true, complete and accurate details of the ordinary shares of \$0.01 each in the share capital of the Company of which I am the registered and/or beneficial owner or am otherwise authorised to control the exercise of all rights attaching to such shares and I confirm that such shares are owned free of any encumbrances or third party rights of any kind (the **Company Shares**);
- 1.2 I have all necessary power and authority to direct the actions of any nominee or custodian who holds legal title to the Subject Shares on my behalf (the **Nominee**) to enable me to comply with the Obligations;
- 1.3 set out in part 2 of Schedule 1 are true, complete and accurate details of all options, warrants or other rights to subscribe for, purchase, convert into, exchange or exercise for or otherwise acquire or call for delivery of any shares of the Company, including, without limitation, any company options, (together with

any further such options, warrants and other such rights which I, or the Nominee, may become entitled to and/or receive at any time after the date of this Undertaking (the **Convertible Securities**);

- 1.4 other than as set out in Schedule 1 and save for any rights provided for in the articles of association of the Company and/or pursuant to company law in favour of the holders of the Company shares generally, I do not have any interest (as defined in the Rules) in any shares of the Company or any direct or indirect right to subscribe for, purchase, convert into, exchange or exercise for or otherwise acquire or call for delivery of any such shares; and
- 1.5 I have full power and authority, and the right (free from any legal or other restrictions), and will at all times continue to have all relevant power and authority and the right, to enter into and perform the Obligations.

2. Dealings and undertakings

- 2.1 I hereby unconditionally and irrevocably agree and undertake to you that (other than in connection with the Proposed Transaction) before this Undertaking lapses in accordance with paragraph 9, I shall not and shall procure that the Nominee shall not, directly or indirectly:
- 2.1.1 sell, transfer, assign, tender in any tender or exchange offer, dispose of, charge, pledge or otherwise encumber or grant any option or award or other right over or otherwise deal with any of the Subject Shares or any interest in any of them (whether conditionally or unconditionally), except pursuant to the Takeover Offer or the Scheme (as applicable);
 - 2.1.2 vote in favour of any resolution to approve, or otherwise in connection with (i) an acquisition of any shares in the Company by any person other than BidCo (or any member of the K1 Group), or (ii) any other transaction which is proposed by any person other than BidCo (or any member of the K1 Group) which relates to the shares of the Company or which could otherwise hinder or impede the Takeover Offer or Scheme (as applicable);
 - 2.1.3 withdraw the acceptance(s) in favour of the Takeover Offer (or the vote(s) in favour of the Scheme referred to in paragraph 7) in respect of all or any of the Subject Shares notwithstanding that I may have become entitled to effect such withdrawal by virtue of the Rules or otherwise by the terms of the Proposed Transaction or applicable law, and shall procure that any acceptance in favour of the Takeover Offer (or any vote in the case of a Scheme) in respect of the Subject Shares is not withdrawn;
 - 2.1.4 deposit any Subject Shares into a voting trust or enter into a voting agreement or arrangement or grant any proxy or power of attorney with respect thereto that is inconsistent with this Undertaking;
 - 2.1.5 without the consent of the K1 Group, take any step, including voting the Subject Shares, requisitioning, or joining in requisitioning of, any general or class meeting of the Company, or taking any other action, that would or might reasonably be expected to restrict or impede the Takeover Offer becoming unconditional or, as the case may be, the Scheme becoming effective;
 - 2.1.6 accept or give any undertaking to accept any offer made or proposed to be made in respect of any shares in the Company (by whatever means the same is to be implemented) by any person other than BidCo (or any member of the K1 Group); or
 - 2.1.7 enter into any agreement or arrangement (whether or not legally binding) with any person, whether conditionally or unconditionally, or give any public indication of intent which is in any way inconsistent with this paragraph 2.1 or which would or might reasonably be expected to restrict the acquisition of the Subject Shares by BidCo (or any member of the K1 Group) under the Proposed Transaction.

- 2.2 I further undertake to you that I shall not, until this Undertaking lapses in accordance with paragraph 9, acquire any interests (as defined in the Rules) or otherwise deal or undertake any dealing (also as defined in the Rules) in any Relevant Securities of the Company (including, for the avoidance of doubt, the exercising, exchange or conversion of any Convertible Securities), except pursuant to the Takeover Offer or the Scheme (as applicable).

3. Undertaking to accept the Takeover Offer

- 3.1 I hereby irrevocably and unconditionally agree and undertake to you that I shall, or shall procure that the Nominee shall, no later than 5.00 p.m. (New York Time) on the date which is five days after the posting of the Offer Document to the Company's shareholders, accept (or procure the acceptance of) the Takeover Offer in respect of the Subject Shares by:

- 3.1.1 completing or procuring the completion and delivery to you or your agent of the form(s) of acceptance of the Takeover Offer; or
- 3.1.2 taking such other steps (or procuring the taking of such other steps) as may be set out in the Offer Document, insofar as such steps are reasonably required, to effect acceptance of the Takeover Offer (in each case in accordance with the terms of the Offer Document); or
- 3.1.3 if so required by you, execute or procure the execution of all such other documents as may be reasonably necessary to give you the full benefit of this Undertaking,

(the **Acceptance**).

4. Election

- 4.1 This Undertaking does not constitute an election for either the Cash Offer or the Unlisted Unit Alternative (as defined in the Rule 2.7 Announcement) and I reserve the right to make, in due course and by way of the Acceptance, an election for the Cash Offer or for the Unlisted Unit Alternative in respect of the Subject Shares.

5. Documentation

- 5.1 I consent to:
- 5.1.1 this Undertaking being disclosed to the Panel;
 - 5.1.2 the inclusion of references to me and particulars of this Undertaking and my holdings of relevant securities of the Company being included in any Offer Document and any announcement made, or document issued, by or on behalf of the Company and/or the K1 Group in connection with the Proposed Transaction; and
 - 5.1.3 this Undertaking being available for inspection as required by the Rules.
- 5.2 I shall promptly give you all such information with respect to my holding of Subject Shares and any assistance as you may reasonably require for the preparation of the Rule 2.7 Announcement, any Offer Document and any other announcement to be made, or document to be issued, by or on behalf of BidCo, the K1 Group or the Company in connection with the Proposed Transaction in order to comply with the requirements of the Rules, the Panel, or any other applicable legal or regulatory requirement and I shall notify you promptly if any such information changes.

6. Implementation by way of Scheme

- 6.1 I acknowledge that BidCo and/or the K1 Group shall have the right and may elect at any time (with the consent of the Panel (if required) and whether or not the Offer Document has then been despatched) to implement the Proposed Transaction by way of a scheme of arrangement under Chapter 1 of Part 9 of the Act (a **Scheme**), as opposed to by way of the Takeover Offer.

- 6.2 If BidCo and/or the K1 Group was to implement the Proposed Transaction by way of a Scheme, I undertake and warrant that, notwithstanding any other provision of this Undertaking, any undertakings, agreements, warranties, appointments, consents and waivers in this Undertaking shall apply mutatis mutandis to such Scheme and, in particular, I hereby irrevocably and unconditionally agree and undertake to you that I shall, or shall procure that the Nominee shall:
- 6.2.1 exercise, or (as appropriate) procure the exercise of, all voting rights attaching to the Subject Shares to vote in favour of all resolutions (including a Relevant Resolution) to approve the Proposed Transaction, the Scheme and any related matters proposed at any general or class meeting or postponed meeting of the Company in connection with the Scheme (the **EGM**) and any meeting or class meeting or postponed meeting of the Company convened pursuant to section 450 of the Act to approve the Scheme (a **Scheme Meeting**) or at any postponement of any such meeting and to vote against any adjournment of the EGM or Scheme Meeting (all such resolutions collectively, the **Scheme Resolutions**);
 - 6.2.2 execute, or (as appropriate) procure the execution of, any forms of proxy in respect of the Subject Shares required by BidCo and/or the K1 Group validly appointing any person nominated by BidCo and/or the K1 Group to attend and vote at any EGM and/or Scheme Meeting (or any adjournment or postponement thereof) in favour of the Scheme Resolutions, and shall ensure that any such executed forms of proxy are received by the Company's registrars not later than 5:00 p.m. (New York Time) on the tenth Business Day after the Company sends the Scheme Document to the Company's shareholders (or, in respect of any Further Company Shares, within five days of acquiring an interest in such shares, if later);
 - 6.2.3 not revoke (or seek to cause the revocation of) the terms of any proxy submitted in accordance with paragraph 6.2, either in writing or by attendance at any EGM or Scheme Meeting (or any adjournment or postponement thereof) or otherwise; and
 - 6.2.4 not exercise any voting rights attaching to the Subject Shares to vote in favour of any competing scheme of arrangement or any action which may frustrate the implementation of the Proposed Transaction.
- 6.3 A **Relevant Resolution** means:
- 6.3.1 any Scheme Resolution;
 - 6.3.2 any other resolution (whether or not amended) proposed at a general or class meeting of the Company, or at an adjourned meeting, the passing of which is necessary to implement the Scheme; and
 - 6.3.3 a resolution to adjourn a general or class meeting of the Company whose business includes the consideration of any Scheme Resolution and which is recommended by the board of directors of the Company.
- 6.4 References in this Undertaking to:
- 6.4.1 the Takeover Offer becoming or being declared unconditional shall be read as references to the Scheme becoming effective;
 - 6.4.2 the Takeover Offer lapsing or withdrawn shall be read as references to the Scheme lapsing or being withdrawn;
 - 6.4.3 the Offer Document shall be read as references to the Scheme Document; and
 - 6.4.4 the Takeover Offer shall be read as references to the Scheme.

7. Time of the essence

Any time, date or period mentioned in this Undertaking may be extended by mutual agreement but as regards to any time, date or period originally fixed or as extended, time shall be of the essence.

8. Lapse of undertaking

8.1 Notwithstanding any other provision of this Undertaking, this Undertaking (and all of my Obligations) shall lapse and cease to have any effect on and from the earliest of the following occurrences:

8.1.1 BidCo and/or the K1 Group publicly announces that it does not intend to make or proceed with the Proposed Transaction and no new, revised or replacement offer or scheme is announced in accordance with Rule 2.7 of the Rules, either at the same time or within two days of such announcement;

8.1.2 the Takeover Offer lapses, closes or is withdrawn (which, for the avoidance of doubt, will not be deemed to have occurred only by reason of BidCo and/or the K1 Group electing to switch from the Takeover Offer to a Scheme in accordance with paragraph 7); and

8.1.3 the Takeover Offer becomes or is declared unconditional in all respects or the Scheme becomes effective.

8.2 For the avoidance of doubt and subject to paragraphs 8.1.2 – 8.1.3, this Undertaking shall continue in full force and effect in circumstances where BidCo and/or the K1 Group publicly announces a revised Rule 2.7 Announcement or Offer at any time after the date of this Undertaking, on terms no less favourable (including as to price) to those contained in the Rule 2.7 Announcement published on 24 April 2024, and any such revision shall not cause the Undertaking to lapse.

9. Governing law

This Undertaking and any suit, action or proceedings that may arise out of or in connection with it shall be governed by and construed in accordance with the laws of Ireland and I agree that the courts of Ireland are to have exclusive jurisdiction to hear and determine any suit, action or proceedings that may arise out of or in connection with this Undertaking and, for such purposes, I irrevocably submit to the jurisdiction of such courts.

10. Specific performance

Without prejudice to any other rights or remedies which you may have, I acknowledge and agree that damages may not be an adequate remedy for any breach by me of any of the Obligations and BidCo and/or the K1 Group shall be entitled to the remedies of injunction, specific performance and other equitable relief for any threatened or actual breach of any of the Obligations and no proof of special damages shall be necessary for the enforcement by you of your rights.

11. Severability

The covenants and undertakings contained in this Agreement and each part of them are entirely severable and separately enforceable so that each covenant and undertaking and each part of them shall be deemed to be a separate covenant and undertaking.

RECOMMENDED CASH OFFER

for

MARIADB PLC

by

MERIDIAN BIDCO LLC

which is an Affiliate of

K1 INVESTMENT MANAGEMENT, LLC

as manager of K5 PRIVATE INVESTORS, L.P.

K1 Investment Management, LLC ("**K1**") is pleased to announce the terms of a recommended cash offer to be made by Meridian Bidco LLC ("**Bidco**"), a newly formed Affiliate of K1, as manager of K5 Private Investors, L.P. ("**K5**"), to acquire the entire issued and to be issued share capital of MariaDB plc ("**MariaDB**").

Summary

- Under the terms of the Offer, MariaDB Shareholders will be entitled to receive:

for each MariaDB Share \$ 0.55 in cash (the Cash Offer)

- The Cash Offer values the entire issued share capital of MariaDB (on a fully diluted basis) at approximately \$39.5m.
- The Cash Consideration represents a premium of approximately:
 - 189% to MariaDB's closing share price of \$0.19 on 5 February 2024 (being the last full trading day prior to the announcement by MariaDB of a forbearance agreement with RP Ventures LLC);
 - 57% to MariaDB's closing share price of \$0.35 on 15 February 2024 (being the last date prior to the publication of K1's Possible Offer Announcement);
 - 129% to MariaDB's average closing share price of \$0.24 over the 30 trading day period ending 15 February 2024; and
 - 90% to MariaDB's average closing share price of \$0.29 over the 60 trading day period ending 15 February 2024.

- As an alternative to the Cash Offer, Eligible MariaDB Shareholders may elect, in respect of all (but not some) of their MariaDB Shares, to receive, in lieu of the Cash Offer to which they are otherwise entitled, one unlisted, unregistered non-voting Class B unit of Meridian Topco LLC ("**Topco**") (a limited liability company formed in Delaware, an Affiliate of K1 and parent of Bidco) (each, a "**Topco Rollover Unit**") for each MariaDB Share (the "**Unlisted Unit Alternative**"), with such Topco Rollover Units to be issued on the terms and pursuant to the mechanism described in paragraphs 14 and 15 of the main body of this Announcement. In aggregate, the maximum number of Topco Rollover Units available to be issued to Eligible MariaDB Shareholders under the Unlisted Unit Alternative is limited to 15% of Topco's fully diluted share capital (after issuance of all Topco Rollover Units to all Electing Shareholders) (the "**Rollover Threshold**"). The key terms of the Unlisted Unit Alternative are summarised in paragraph 15 of the main body of this Announcement. Further details regarding Topco and the rights of the Topco Rollover Units are set out in paragraphs 15 and 16 of the main body of this Announcement and will be more fully set out in the Offer Document.

The Topco Rollover Units will not be listed or registered under US securities laws, will not be transferable (subject to certain limited exceptions), will be non-voting (other than those non-waivable voting rights, if any, required pursuant to applicable Delaware law), will have limited information rights (except for certain limited information to be provided to holders of the Topco Rollover Units to be more fully described in the Offer Document and certain other financial information regarding Topco as the holders of Topco Rollover Units may reasonably request in writing from time to time (but no more frequently than annually)), and may be subject to dilution pursuant to any further issue of securities by Topco. For the purposes of Rule 24.11 of the Irish Takeover Rules, an appropriate advisor will provide an estimate of the value of a Topco Rollover Unit, together with the assumptions, qualifications and caveats forming the basis of its estimate of value, in a letter to be included in the Offer Document.

- If the aggregate number of Topco Rollover Units to be issued to all Electing Shareholders exceeds the Rollover Threshold then each Electing Shareholder's number of Topco Rollover Units to which they would otherwise have been entitled will be reduced on a pro-rated basis (based on the relative holdings of MariaDB Shares as of immediately prior to the Initial Closing Date (as defined in Appendix I of this Announcement) of all of the Electing Shareholders), and the consideration for each MariaDB Share that is not exchanged for Topco Rollover Units will be paid in cash in accordance with the terms of the Cash Offer.
- Bidco may in its sole discretion, withdraw the Unlisted Unit Alternative if there are any Electing Shareholders whose election to receive the Unlisted Unit Alternative will require registration of the Topco Rollover Units under US securities law (and there is not an applicable exemption for each such Electing Shareholder) (the "Rollover Withdrawal Right"). In the event Bidco exercises its Rollover Withdrawal Right, the Unlisted Unit Alternative will lapse, no Topco Rollover Units will be issued and the consideration payable in respect of each tendered MariaDB Share will be settled in cash in accordance with the terms of the Cash Offer. The Offer will be open for at least 10 business days after the announcement of Bidco's exercise of its Rollover Withdrawal Right. For the avoidance of doubt, the exercise by Bidco of the Rollover Withdrawal Right shall not otherwise affect any validly received tenders, nor shall it constitute a variation of the Offer.
- Unless otherwise determined by Bidco or K1 or required by the Irish Takeover Rules, and permitted by applicable law and regulation, the Unlisted Unit Alternative is not being offered, sold or delivered, directly or indirectly, in or into any Restricted Jurisdiction (and so MariaDB Shareholders in such jurisdictions will not be eligible to elect to receive the Unlisted Unit Alternative).

- **In addition, MariaDB Shareholders who wish to elect for the Unlisted Unit Alternative will be required to provide certain "Know Your Client" information as requested by Topco and K1. Further details regarding this eligibility requirement will be set out in the Offer Document. Failure to provide the required information will result in elections to receive the Unlisted Unit Alternative being invalid and Eligible MariaDB Shareholders who made such an invalid election will instead receive the Cash Consideration for the number of MariaDB Shares in respect of which they purported to make an election to receive the Unlisted Unit Alternative.**
- If any dividend or other distribution is authorised, declared, made or paid in respect of MariaDB Shares on or after the date of this Announcement, K1 and Bidco reserve the right to reduce the consideration due pursuant to the Cash Offer (and, as the case may be, the consideration due under the Unlisted Unit Alternative) by the aggregate amount of such dividend or other distribution or return of value. In such circumstances, MariaDB Shareholders shall be entitled to retain any such dividend, distribution, or other return of value authorised, declared, made or paid.
- Commenting on the Offer, Sujit Banerjee, Managing Director of K1 Operations, LLC, said:
"We are pleased about the progress MariaDB has made and the innovative solutions they bring to the market. Partnering with MariaDB presents an attractive opportunity to drive further growth and innovation in the database management space."

Recommendation – Cash Offer

- The MariaDB Board has, as required under the Irish Takeover Rules, due to conflicts of interest, recused itself from taking part in the formulation and communication of advice on the Offer to MariaDB Shareholders. Instead, IBI Corporate Finance, which has been appointed as independent financial advisor to MariaDB under Rule 3 of the Irish Takeover Rules, has, in that capacity, taken responsibility for considering the Offer and formulating an appropriate recommendation to be made to MariaDB Shareholders.
- It is, in the context of the background to and reasons for recommending the Cash Offer, which are set out in paragraph 5 of the main body of this Announcement that IBI Corporate Finance has concluded that the terms of the Cash Offer are fair and reasonable and it would recommend that MariaDB Shareholders should accept the Cash Offer. Further detail will be included in the Offer Document or in a separate circular to be sent to MariaDB Shareholders by MariaDB.

No Recommendation – Unlisted Unit Alternative

- IBI Corporate Finance is unable to advise as to whether or not the financial terms of the Unlisted Unit Alternative are fair and reasonable. This is because IBI Corporate Finance has not had any involvement in the development and validation of any financial projections for Topco. As a result, IBI Corporate Finance is unable to assess any plans Topco may have for the development of MariaDB or the Topco Group to the degree necessary to form an assessment of the value of the Unlisted Unit Alternative. IBI Corporate Finance also note the significant and variable impact that the disadvantages and advantages of the Unlisted Unit Alternative (certain of which are outlined below and in paragraph 16 of the main body of this Announcement) may have for individual Eligible MariaDB Shareholders. In terms of the advantages, these include, in particular, the ability to participate in potential future value creation of the MariaDB Group. In terms of the disadvantages, these include, in particular, (a) the level of uncertainty as to the future value of Topco Rollover Units, which will depend on the performance of the MariaDB Group over a number of years and which performance will be impacted by, amongst other things, the business plan and strategy of the business under Topco's control; and (b) the terms of the Topco Rollover Units including the fact that they will be illiquid and non-transferable, will be subject to potential dilution in the event that additional securities are issued by Topco, will not carry voting rights, and will have limited information rights (except for certain limited information to be provided to holders of the Topco

Rollover Units to be more fully described in the Offer Document and certain other financial information regarding Topco as the holders of Topco Rollover Units may reasonably request in writing from time to time (but no more frequently than annually)).

- Accordingly, IBI Corporate Finance is unable to form an opinion as to whether or not the terms of the Unlisted Unit Alternative are fair and reasonable and is not making any recommendation to Eligible MariaDB Shareholders as to whether or not they should elect to receive the Unlisted Unit Alternative.
- In addition, the attention of Eligible MariaDB Shareholders who may be considering electing to receive the Unlisted Unit Alternative is drawn to certain risk factors and other investment considerations relevant to such an election. These will be set out in full in the Offer Document and include, inter alia, the following:

Disadvantages of electing to receive the Unlisted Unit Alternative:

- (a) upon the Effective Date, Topco will be solely controlled by K5, who will exercise all decision-making powers relating to Topco and its Subsidiaries (including all members of the MariaDB Group) and the businesses thereof. Holders of the Topco Rollover Units, which will not carry any voting rights (other than those non-waivable voting rights, if any, required pursuant to applicable Delaware law) or rights to appoint (or vote for the appointment of) directors, officers or other control persons of Topco, will therefore have no influence over decisions made by Topco in relation to its investment in MariaDB or in any other business;
- (b) the Topco Rollover Units will be unquoted and will not be listed or admitted to trading on any exchange or market for the trading of securities, and will therefore be illiquid. In addition, the Topco Rollover Units will not be registered under US securities laws;
- (c) the Topco Rollover Units will be non-transferable, other than with the prior written consent of K5 (and then only in K5's sole and absolute discretion). The future monetisation of the Topco Rollover Units therefore remains entirely in the discretion of K5, subject to a customary "tag-along" right for Topco Rollover Units to be more fully described in the Offer Document;
- (d) the value of the Topco Rollover Units will at all times be uncertain and there can be no assurance that any such securities will be capable of being sold in the future or that they will be capable of being sold at the value to be estimated by an appropriate advisor in the Offer Document;
- (e) the Topco Rollover Units will be subject to a customary "drag-along" right. As a result, given its sole control over Topco (as described in paragraph (a), above), K5 will have sole and absolute discretion to "drag" the holders of Topco Rollover Units, at any time, into a future sale or change of control transaction involving Topco or any of its Subsidiaries (including MariaDB) and require such holders to sell or transfer their Topco Rollover Units, and K5 will therefore control the future monetisation of the Topco Rollover Units;
- (f) K5 will control the timing of distributions, dividends and payments of capital proceeds (in each case, if any) to the holders of Topco Rollover Units. There is no guarantee that Topco will make any such distributions, dividends or payments of capital proceeds at any time ((however, Topco Rollover Units will rank *pari passu* with Class A Topco Units in respect of any such distributions, dividends or payments of capital proceeds that are made);

- (g) Topco Rollover Units will carry no pre-emption rights and any participation by the holders of Topco Rollover Units in future issues of securities by the Topco Group will be at the discretion of K5 and also be subject to other important exceptions and risk. For example:
- (i) holders of Topco Rollover Units will not be entitled to participate in any issues of securities to actual or potential employees, directors, officers or consultants of the Topco Group (whether of the same or different classes to the Topco Rollover Units);
 - (ii) if Topco introduces one or more management incentive plans for actual or potential employees, directors, officers and consultants of the Topco Group after the Effective Date that provide participants with an interest in securities in the Topco Group, such issue(s) could potentially significantly dilute the equity interests in Topco of the holders of Topco Rollover Units. In addition, the Topco Group may not receive material cash sums on the issue of any such securities and the returns on any such securities may potentially be structured to increase their proportionate interest in the value of the Topco Group as it increases in value (whether pursuant to a ratchet mechanism or otherwise); and
 - (iii) the holders of Topco Rollover Units will have no legal entitlement to participate in issues of securities by the Topco Group in any case, including in consideration for, or in connection with, its acquisition of other assets, companies or all or part of any other businesses or undertakings;
- (h) the holders of Topco Rollover Units will enjoy only limited minority protections and other rights to be more fully described in the Offer Document;
- (i) K5 may freely dispose of some or all of its Class A Topco Units, meaning that the holders of Topco Rollover Units may find themselves owning units in Topco alongside different owners. The Topco Rollover Units will benefit from a “tag-along” right (as noted above and to be more fully described in the Offer Document), but K5 will be able to dispose of some or all of its Class A Topco Units without triggering this tag-along right;
- (j) individual holders of Topco Rollover Units will have very limited control over the date(s) on and value(s) at which they may be able to realise their investment in the Topco Group;
- (k) holders of Topco Rollover Units will have no opportunity to convert their Topco Rollover Units into Class A Topco Units;
- (l) the MariaDB Shares are currently admitted to trading on NYSE and MariaDB Shareholders are afforded certain standards and protections, including in respect of disclosure. As a result, MariaDB Shareholders who receive Topco Rollover Units (being unlisted, unregistered securities in a private company) will not be afforded protections commensurate with those that they currently benefit from as shareholders in MariaDB, including because Topco intends to rely on an exemption from registration under US securities laws and will therefore not be registering the Topco Rollover Units with the SEC. Except for certain limited information to be provided to holders of the Topco Rollover Units to be more fully described in the Offer Document and certain other

financial information regarding Topco as the holders of Topco Rollover Units may reasonably request in writing from time to time (but no more frequently than annually), Topco's LLC Agreement will not provide holders of Topco Rollover Units with information rights;

- (m) there can be no certainty or guarantee as to the performance of the Topco Group or the MariaDB Group following the Effective Date, and past performance cannot be relied upon as an indication of future performance or growth;
- (n) there is no certainty as to the number of MariaDB Shareholders that will accept the Offer and therefore Topco may hold less than all of the MariaDB Shares following the Initial Closing Date and which, therefore, could impact the value of Topco's assets; and
- (o) MariaDB Shareholders will have no certainty as to the amount of Topco Rollover Units they would receive because:
 - (i) the maximum number of Topco Rollover Units available to MariaDB Shareholders under the Unlisted Unit Alternative will be limited to the Rollover Threshold; and
 - (ii) to the extent that elections for the Unlisted Unit Alternative cannot be satisfied in full, the number of Topco Rollover Units to be issued to each eligible MariaDB Shareholder who has elected for the Unlisted Unit Alternative will be reduced on a pro rata basis, and the consideration for each MariaDB Share that is not exchanged for Topco Rollover Units will be paid in cash in accordance with the terms of the Cash Offer.

Advantages of electing to receive the Unlisted Unit Alternative:

- (a) the Unlisted Unit Alternative allows Eligible MariaDB Shareholders to invest directly in Topco providing continued indirect economic exposure to MariaDB under private ownership; and
 - (b) from completion of the Offer, the Topco Rollover Units will rank economically *pari passu* with the investment in Topco by K5, and will carry a pro rata entitlement to dividends, distributions and returns of capital.
- MariaDB Shareholders are encouraged to take into account the risk factors and other investment considerations outlined above in relation to the Unlisted Unit Alternative, as well as their particular circumstances, when deciding whether to elect to receive the Unlisted Unit Alternative in respect of all of their holding in MariaDB Shares. MariaDB Shareholders should also ascertain whether acquiring or holding Topco Rollover Units is permitted or affected by the laws of the jurisdiction in which they reside and consider whether Topco Rollover Units are a suitable investment in light of their own personal circumstances. Accordingly, MariaDB Shareholders are strongly recommended to seek their own independent financial, tax and legal advice in light of their own particular circumstances and investment objectives before deciding whether to elect to receive the Unlisted Unit Alternative. Any decision to elect to receive the Unlisted Unit Alternative should be based on any such independent financial, tax and legal advice and full consideration of the information in this Announcement and the Offer Document (when published).

Irrevocable undertakings

- K1, K5, Topco and Bidco have received irrevocable undertakings to accept the Offer from each of the parties listed at paragraph 11 of the main body of this Announcement in respect of, in aggregate, 34,912,697 MariaDB Shares, representing in aggregate approximately 51.53% of the existing issued share capital of MariaDB as at 22 April 2024 (being the latest practicable date prior to the release of this Announcement). These undertakings continue to be binding in the event of a competing offer for MariaDB.

This summary should be read in conjunction with the full text of the following Announcement and its appendices. The Conditions to, and certain further terms of, the Offer are set out in Appendix I to this Announcement and the full terms and Conditions will be set out in the document to be despatched to MariaDB Shareholders (the “Offer Document”). Appendix II to this Announcement contains further details of the sources of information and bases of calculation set out in this Announcement. Certain terms used in this Announcement are defined in Appendix III to this Announcement.

Cautionary statement regarding forward looking statements

This document (including information incorporated by reference in this document), oral statements made regarding the Offer, and other information published by MariaDB, K1 or any member of the K1 Group contain statements which are, or may be deemed to be, "forward looking statements". Such forward looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and on numerous assumptions regarding the business strategies and the environment in which any member of the K1 Group (including, after closing of the Offer, any member of the MariaDB Group) shall operate in the future and are subject to risks and uncertainties that could cause actual results to differ materially from those expressed or implied by those statements. The forward looking statements contained in this document relate to K1, any member of the K1 Group's (including, after closing of the Offer, any member of the MariaDB Group) future prospects, developments and business strategies, the expected timing and scope of the Offer and other statements other than historical facts. In some cases, these forward looking statements can be identified by the use of forward looking terminology, including the terms "believes", "estimates", "will look to", "would look to", "plans", "prepares", "anticipates", "expects", "is expected to", "is subject to", "intends", "may", "will", "shall" or "should" or their negatives or other variations or comparable terminology. By their nature, forward looking statements involve risk and uncertainty because they relate to events and depend on circumstances that shall occur in the future. These events and circumstances include changes in global, political, economic, business, competitive, and market conditions and regulatory forces, future exchange and interest rates, changes in tax rates and future business combinations or disposals. If any one or more of these risks or uncertainties materialises or if any one or more of the assumptions prove incorrect, actual results may differ materially from those expected, estimated or projected. Such forward looking statements should therefore be construed in the light of such factors.

Neither K1 nor any member of the K1 Group, nor any of their respective associates or directors, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward looking statements in this document shall actually occur. Given these risks and uncertainties, potential investors, including those investors electing to receive the Unlisted Unit Alternative, should not place any reliance on forward looking statements. The forward looking statements speak only as of the date of this document. All subsequent oral or written forward looking statements attributable to any member of the K1 Group, or any of their respective associates, directors, officers, employees or advisers, are expressly qualified in their entirety by the cautionary statement above. K1 and the K1 Group expressly disclaim any obligation to update such statements other than as required by law or by the rules of any competent regulatory authority, whether as a result of new information, future events or otherwise.

Disclosure requirements of the Irish Takeover Rules

Under Rule 8.3(b) of the Irish Takeover Rules, if any person is, or becomes, 'interested' (directly or indirectly) in 1% or more of any class of 'relevant securities' of MariaDB, all 'dealings' in any 'relevant securities' of MariaDB or any securities exchange offeror (including by means of an option in respect of, or a derivative referenced to, any such 'relevant securities') must be publicly disclosed by not later than 3:30 pm (U.S. Eastern Time) on the 'business day' following the date of the relevant transaction. This requirement will continue until the 'offer period' ends. If two or more persons cooperate on the basis of any agreement either express or tacit, either oral or written, to acquire an 'interest' in 'relevant securities' of MariaDB, they will be deemed to be a single person for the purpose of Rule 8.3 of the Irish Takeover Rules.

Dealing Disclosures must also be made by any offeror and by any persons acting in concert with them in accordance with Rule 8.2 of the Irish Takeover Rules.

In general, interests in securities arise when a person has long economic exposure, whether conditional or absolute, to changes in the price of the securities. In particular, a person will be treated as having an 'interest' by virtue of the ownership or control of securities, or by virtue of any option in respect of, or derivative referenced to, securities.

Terms in quotation marks are defined in the Irish Takeover Rules, which can be found on the Irish Takeover Panel's website.

Details of the offeree company in respect of whose relevant securities Dealing Disclosures must be made can be found in the Disclosure Table on the Irish Takeover Panel's website at www.irishtakeoverpanel.ie, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified. If you are in any doubt as to whether or not you are required to disclose a 'dealing' under Rule 8, please consult the Irish Takeover Panel's website at www.irishtakeoverpanel.ie or contact the Irish Takeover Panel at telephone number +353 1 678 9020.

No profit forecasts, estimates or asset valuations

No statement in this Announcement is intended as a profit forecast or estimate for any period and no statement in this Announcement should be interpreted to mean that earnings or earnings per share for K1, Bidco, Topco or MariaDB, respectively for the current or future financial years would necessarily match or exceed the historical published earnings or earnings per share for K1, Bidco, Topco or MariaDB, respectively. No statement in this Announcement constitutes an asset valuation.

Right to switch to a Scheme

K1 and Bidco reserve the right, with the consent of the Irish Takeover Panel and MariaDB, to elect to implement the acquisition of the MariaDB Shares by way of a scheme of arrangement of MariaDB under the Companies Act 2014. In such event, the scheme of arrangement will be implemented on substantially the same terms, so far as applicable, as those which would apply to the Offer, subject to appropriate amendments (including to statutory voting requirements) to reflect the change in method of implementing the Offer.

Overseas Shareholders

The laws of certain jurisdictions may affect the availability of the Offer (including the Unlisted Unit Alternative) to persons who are not resident in Ireland. Persons who are not resident in Ireland, or who are subject to laws of any jurisdiction other than Ireland, should inform themselves about, and observe, any applicable legal or regulatory requirements. Any failure to comply with any applicable legal or regulatory requirements may constitute a violation of the laws and/or regulations of any such jurisdiction. To the fullest extent permitted by applicable Law, the companies and persons involved in the Offer (including the Unlisted Unit Alternative) disclaim any responsibility and liability for the violation of such restrictions by any person.

Unless otherwise determined by Bidco or K1 or required by the Irish Takeover Rules, and permitted by applicable law and regulation, the Offer (including the Unlisted Unit Alternative) will not be made available, directly or indirectly, in any Restricted Jurisdiction, and the Offer will not be capable of acceptance from within a Restricted Jurisdiction where to do so would violate the laws in that jurisdiction.

The release, publication or distribution of this Announcement in or into certain jurisdictions may be restricted by the laws of those jurisdictions. Accordingly, copies of this Announcement and all other documents relating to the Offer (including the Unlisted Unit Alternative) are not being, and must not be, released, published, mailed or otherwise forwarded, distributed or sent in, into or from any Restricted Jurisdiction. Persons receiving such documents (including, without limitation, nominees, trustees and custodians) should observe these restrictions. Failure to do so may constitute a violation of the securities laws of any such jurisdiction. To the fullest extent permitted by applicable Law, K1, the K1 Group and Bidco disclaims any responsibility or liability for the violations of any such restrictions by any person. MariaDB Shareholders who are in any doubt regarding such matters should consult an appropriate independent professional adviser in the relevant jurisdiction without delay.

Further details in relation to overseas shareholders shall be contained in the Offer Document.

If you are a resident of the United States, please read the following:

This Announcement is not intended to, and does not, constitute or form part of any offer (including the Offer), invitation or the solicitation of an offer to purchase, otherwise acquire, subscribe for, tender, exchange, sell or otherwise dispose of, any securities, or the solicitation of any vote or approval in any jurisdiction, nor will there be any acquisition or disposition of the securities referred to in this Announcement in any jurisdiction in contravention of applicable Law or regulation.

This Announcement is not a substitute for the Offer Document and the Form of Acceptance or any other document that Bidco may file with the SEC in connection with the Offer, if any. A solicitation and an offer to buy MariaDB Shares will be made pursuant to a Tender Offer Statement on Schedule TO that Bidco intends to file with the SEC. At the time the tender offer is commenced, MariaDB will file a Solicitation/Recommendation Statement on Schedule 14D-9 with the SEC with respect to the tender offer. MARIADB SHAREHOLDERS ARE URGED TO READ ANY SUCH DOCUMENTS FILED WITH THE SEC CAREFULLY IN THEIR ENTIRETY IF AND WHEN THEY BECOME AVAILABLE BECAUSE THEY WILL CONTAIN IMPORTANT INFORMATION ABOUT THE OFFER. SUCH DOCUMENTS SHOULD BE READ CAREFULLY BEFORE ANY DECISION IS MADE WITH RESPECT TO THE OFFER. Investors and MariaDB Shareholders will be able to obtain free copies of these materials (if and when available) and other documents containing important information about MariaDB and the Offer once such documents are filed with the SEC through the website maintained by the SEC at <http://www.sec.gov>.

The Offer, if made, will be made in the United States pursuant to the Exchange Act and otherwise in accordance with the requirements of the Irish Takeover Rules. Accordingly, the Offer will be subject to disclosure and other procedural requirements, including with respect to withdrawal rights, offer timetable, settlement procedures and timing of payments that may be different from those typically applicable under U.S. domestic tender offer procedures and law. In addition, the Offer Document and any other documents relating to the Offer have been or will be prepared in accordance with the Irish Takeover Rules and Irish disclosure requirements, format and style, all of which may differ from those in the United States.

MariaDB is incorporated under the laws of Ireland. The director on the MariaDB Board at the date of this Announcement is resident in a country other than the United States. As a result, it may not be possible for United States holders of MariaDB Shares to effect service of process within the United States upon MariaDB or the director of MariaDB or to enforce against any of them judgements of the United States predicated upon the civil liability provisions of the federal securities laws of the United States. It may not be possible to sue MariaDB or its officers or director(s) in a non-US court for violations of US securities laws. In addition, US holders of MariaDB Shares should be aware that, if K1 and Bidco elect to proceed pursuant to a scheme of arrangement (as described herein), the federal securities laws of the United States may not be applicable.

FOR IMMEDIATE RELEASE

RECOMMENDED CASH OFFER

for

MARIADB PLC

by

MERIDIAN BIDCO LLC

which is an Affiliate of

K1 INVESTMENT MANAGEMENT, LLC

as manager of K5 PRIVATE INVESTORS, L.P.

1. Introduction

K1 Investment Management, LLC (“**K1**”) is pleased to announce the terms of a recommended cash offer to be made by Meridian Bidco LLC (“**Bidco**”), a newly formed Affiliate of K1, as manager of K5 Private Investors, L.P. (“**K5**”) to acquire the entire issued and to be issued share capital of MariaDB plc (“**MariaDB**”).

2. Summary of the terms of the Offer

The Offer is subject to the Conditions set out in Appendix I to this Announcement and to be set out in the Offer Document.

Under the terms of the Offer, MariaDB Shareholders will be entitled to receive:

for each MariaDB Share \$ 0.55 in cash (the Cash Offer)

The Cash Offer values the entire issued share capital of MariaDB (on a fully diluted basis) at approximately \$39.5m.

The Cash Consideration represents a premium of approximately:

- 189% to MariaDB’s closing share price of \$0.19 on 5 February 2024 (being the last full trading day prior to the announcement by MariaDB of a forbearance agreement with RP Ventures LLC);
- 57% to MariaDB’s closing share price of \$0.35 on 15 February 2024 (being the last date prior to the publication of K1’s Possible Offer Announcement);

- 129% to MariaDB's average closing share price of \$0.24 over the 30 trading day period ending 15 February 2024; and
- 90% to MariaDB's average closing share price of \$0.29 over the 60 trading day period ending 15 February 2024.

The Offer will extend to all issued MariaDB Shares not held by Bidco (or any Affiliate of Bidco) and any further MariaDB Shares which are unconditionally allotted or issued and fully paid before the Offer closes.

Unlisted Unit Alternative

As an alternative to the Cash Offer, Eligible MariaDB Shareholders may elect, in respect of all (but not some) of their MariaDB Shares, to receive, in lieu of the Cash Offer to which they are otherwise entitled, one unlisted, unregistered non-voting Class B unit of Topco (each, a "**Topco Rollover Unit**") for each MariaDB Share (the "**Unlisted Unit Alternative**"), with such Topco Rollover Units to be issued on the terms and pursuant to the mechanism described in paragraphs 14 and 15.

In aggregate, the maximum number of Topco Rollover Units available to be issued to Eligible MariaDB Shareholders under the Unlisted Unit Alternative is limited to 15% of Topco's fully diluted share capital (after issuance of all Topco Rollover Units to all Electing Shareholders).

If the aggregate number of Topco Rollover Units to be issued to all Electing Shareholders exceeds the Rollover Threshold then each Electing Shareholder's number of Topco Rollover Units to which they would otherwise have been entitled will be reduced on a pro-rated basis (based on the relative holdings of MariaDB Shares as of immediately prior to the Initial Closing Date (as defined in Appendix I of this Announcement) of all of the Electing Shareholders), and the consideration for each MariaDB Share that is not exchanged for Topco Rollover Units will be paid in cash in accordance with the terms of the Cash Offer.

The key terms of the Unlisted Unit Alternative are summarised in paragraph 15 of this Announcement. The Topco Rollover Units will not be listed or registered under US securities laws, will not be transferable (subject to certain limited exceptions), will be non-voting (other than those non-waivable voting rights, if any, required pursuant to applicable Delaware law), will have limited information rights (except for certain limited information to be provided to holders of the Topco Rollover Units to be more fully described in the Offer Document and certain other financial information regarding Topco as the holders of Topco Rollover Units may reasonably request in writing from time to time (but no more frequently than annually)), and may be subject to dilution pursuant to any further issue of securities by Topco.

Bidco may in its sole discretion, withdraw the Unlisted Unit Alternative if there are any Electing Shareholders whose election to receive the Unlisted Unit Alternative will require registration of the Topco Rollover Units under US securities law (and there is not an applicable exemption for each such Electing Shareholder) (the "Rollover Withdrawal Right"). In the event Bidco exercises its Rollover Withdrawal Right, the Unlisted Unit Alternative will lapse, no Topco Rollover Units will be issued and the consideration payable in respect of each tendered MariaDB Share will be settled in cash in accordance with the terms of the Cash Offer. The Offer will be open for at least 10 business days after the announcement of Bidco's exercise of its Rollover Withdrawal Right. For the avoidance of doubt, the exercise by Bidco of the Rollover Withdrawal Right shall not otherwise affect any validly received tenders, nor shall it constitute a variation of the Offer.

Unless otherwise determined by Bidco or K1 or required by the Irish Takeover Rules, and permitted by applicable law and regulation, the Unlisted Unit Alternative is not being offered, sold or delivered, directly or indirectly, in or into any Restricted Jurisdiction (and so MariaDB Shareholders in such jurisdictions will not be eligible to elect to receive the Unlisted Unit Alternative).

In addition, MariaDB Shareholders who wish to elect for the Unlisted Unit Alternative will be required to provide certain "Know Your Client" information as requested by Topco and K1. Further details regarding this eligibility requirement will be set out in the Offer Document. Failure to provide the required information will result in elections to receive the Unlisted Unit Alternative being invalid and Eligible MariaDB Shareholders who made such an invalid election will instead receive the Cash Consideration for the number of MariaDB Shares in respect of which they purported to make an election to receive the Unlisted Unit Alternative.

If the Offer becomes Effective, Ineligible MariaDB Shareholders and Eligible MariaDB Shareholders who do not validly elect to receive the Unlisted Unit Alternative shall be deemed to have elected for the Cash Offer and will automatically receive the Cash Consideration due under the Cash Offer for their entire holding of MariaDB Shares.

For the purposes of Rule 24.11 of the Irish Takeover Rules, an appropriate advisor will provide an estimate of the value of a Topco Rollover Unit, together with the assumptions, qualifications and caveats forming the basis of its estimate of value, in a letter to be included in the Offer Document.

Further information about the Topco Rollover Units is set out in paragraphs 15 and 16 and will be included in the Offer Document.

Dividends and reorganisations of MariaDB's share capital

If any dividend or other distribution is authorised, declared, made or paid in respect of MariaDB Shares on or after the date of this Announcement, K1 and Bidco reserve the right to reduce the consideration due pursuant to the Cash Offer (and, as the case may be, the consideration due under the Unlisted Unit Alternative) by the aggregate amount of such dividend or other distribution or return of value. In such circumstances, MariaDB Shareholders shall be entitled to retain any such dividend, distribution, or other return of value authorised, declared, made or paid.

The MariaDB Shares will be acquired pursuant to the Offer fully paid and free from all liens, charges, equitable interests, encumbrances, rights of pre-emption and other third party rights or interests together with all rights attaching thereto including, without limitation, the right to receive all dividends and other distributions (if any) announced, declared, made or paid after the date of this Announcement.

If any subdivision, reclassification, reorganisation, recapitalisation, split, combination, contribution or exchange of shares stock dividend or other distribution payable in any other securities of MariaDB in respect of the MariaDB Shares occurs on or after the date of this Announcement, K1 and Bidco reserve the right to adjust the consideration payable for each MariaDB Share under the terms of the Offer (including the consideration due under the Unlisted Unit Alternative) to provide the holders of MariaDB Shares the same economic effect as contemplated by the Offer prior to such event.

3. Recommendation

Recommendation - Cash Offer

The MariaDB Board has, as required under the Irish Takeover Rules, due to conflicts of interest, recused itself from taking part in the formulation and communication of advice on the Offer to MariaDB Shareholders. Instead, IBI Corporate Finance, which has been appointed as independent financial advisor to MariaDB under Rule 3 of the Irish Takeover Rules, has, in that capacity, taken responsibility for considering the Offer and formulating an appropriate recommendation to be made to MariaDB Shareholders.

It is, in the context of the background to and reasons for recommending the Cash Offer, which are set out in paragraph 5 of this Announcement that IBI Corporate Finance has concluded that the terms of the Cash Offer are fair and reasonable and it would recommend that MariaDB Shareholders should

accept the Cash Offer. Further detail will be included in the Offer Document or in a separate circular to be sent to MariaDB Shareholders by MariaDB.

No Recommendation - Unlisted Unit Alternative

IBI Corporate Finance is unable to advise as to whether or not the financial terms of the Unlisted Unit Alternative are fair and reasonable. This is because IBI Corporate Finance has not had any involvement in the development and validation of any financial projections for Topco. As a result, IBI Corporate Finance is unable to assess any plans Topco may have for the development of MariaDB or the Topco Group to the degree necessary to form an assessment of the value of the Unlisted Unit Alternative. IBI Corporate Finance also note the significant and variable impact that the disadvantages and advantages of the Unlisted Unit Alternative (certain of which are outlined in paragraph 16 of the main body of this Announcement) may have for individual Eligible MariaDB Shareholders. In terms of the advantages, these include, in particular, the ability to participate in potential future value creation of the MariaDB Group. In terms of the disadvantages, these include, in particular, (a) the level of uncertainty as to the future value of Topco Rollover Units, which will depend on the performance of the MariaDB Group over a number of years and which performance will be impacted by, amongst other things, the business plan and strategy of the business under Topco's control; and (b) the terms of the Topco Rollover Units including the fact that they will be illiquid and non-transferable, will be subject to potential dilution in the event that additional securities are issued by Topco, will not carry voting rights, and will have limited information rights.

Accordingly, IBI Corporate Finance is unable to form an opinion as to whether or not the terms of the Unlisted Unit Alternative are fair and reasonable and is not making any recommendation to Eligible MariaDB Shareholders as to whether or not they should elect to receive the Unlisted Unit Alternative.

MariaDB Shareholders are encouraged to take into account the risk factors and other investment considerations outlined in paragraph 16 of the main body of this Announcement in relation to the Unlisted Unit Alternative, as well as their particular circumstances, when deciding whether to elect to receive the Unlisted Unit Alternative in respect of all of their holding in MariaDB Shares. MariaDB Shareholders should also ascertain whether acquiring or holding Topco Rollover Units is permitted or affected by the laws of the jurisdiction in which they reside and consider whether Topco Rollover Units are a suitable investment in light of their own personal circumstances. Accordingly, MariaDB Shareholders are strongly recommended to seek their own independent financial, tax and legal advice in light of their own particular circumstances and investment objectives before deciding whether to elect to receive the Unlisted Unit Alternative. Any decision to elect to receive the Unlisted Unit Alternative should be based on any such independent financial, tax and legal advice and full consideration of the information in this Announcement and the Offer Document (when published).

4. Background to and K1's compelling reasons for the Offer

MariaDB provides a mission critical product offering that occupies a strong position within the relational database market with an impressive global customer base across multiple industry sectors.

Having followed the development of the business through time, K1 believes that the Offer for MariaDB is an attractive opportunity given:

- (a) MariaDB's strong competitive position as a market leading open-source relational database solution which has been downloaded over a billion times and is used across a variety of organizations ranging from small businesses to Fortune 500 organizations;
- (b) the opportunity to support MariaDB's growth through organic and inorganic initiatives; and
- (c) the ability for management to have greater operating flexibility and focus as a private company.

Furthermore, MariaDB's business model and product portfolio aligns with K1's mandate and proven track record of investing in enterprise software companies providing mission critical products and

services with high recurring revenues, strong retention rates and diversified customer bases. Finally, K1's operating affiliate, K1 Operations LLC, has a strong track record of supporting management teams in executing operationally focused strategies designed to support the growth, development and profitability of their partner companies.

5. Background to and reasons for recommending the Cash Offer

In considering the fairness and reasonableness of the terms of the Cash Offer, IBI Corporate Finance has taken into consideration the prospects for MariaDB's share price absent a transaction and the realisable value to shareholders from other strategic options in particular the prospect of realising value to shareholders through a U.S. Chapter 11 Bankruptcy or an Irish Examinership Process.

MariaDB has now been in financial distress for a protracted period of time.

- A loan outstanding in the amount of \$15.9 million from the European Investment Bank ("EIB") fell due for repayment on 11 October 2023. MariaDB would not have been in a position to repay the loan from its own resources. On 10 October 2023, immediately prior to the EIB repayment date, MariaDB entered into a \$26.5 million senior secured promissory note with RP Ventures LLC ("RPV") ("**the RPV Note**") to repay EIB and to provide ongoing funding for MariaDB.
- This in turn became repayable on 10 January 2024 and while initial forbearance was granted, this expired on 31 January 2024 and MariaDB has been technically insolvent since that date giving rise to a risk to the recovery of equity value for its shareholders.
- Negotiations with RPV and Hale Capital Partners to replace the RPV Note and raise capital through a convertible preferred equity financing have not resulted in a successful outcome and would in any event have been significantly dilutive to existing MariaDB shareholders.

MariaDB's share price trading has reflected this uncertainty. Its shares traded at an average closing share price of \$1.07 between 20 March 2023 (3 months post IPO) and 18 August 2023 (inclusive). On 17 August 2023, the share price opened at \$0.90 and closed at \$0.73. The volume weighted average share price on that date was \$0.78. The share price fell precipitously thereafter. In the period from 21 August 2023 to 5 February 2024 (inclusive) shares traded at an average closing share price of \$0.42. The share price closed at \$0.19 per share on 5 February 2024. The longer this situation continues, the greater the risk to recovery becomes. In this context, in addition to implied value to shareholders, the executability of any proposal is a key assessment criteria.

A number of proposals have been made to acquire MariaDB since September 2023 with three possible offers for MariaDB under Rule 2.4 of the Irish Takeover Rules being brought forward. The first by Runa Capital LLC on 14 September 2023, the second by K1 on 15 February 2024 and a third by Progress Software Corp on 26 March 2024. Only K1 has announced a firm intention to proceed with an offer for MariaDB. The K1 Cash Offer proposes an offer price of \$0.55 per MariaDB Share, which represents:

- A 189% premium to MariaDB's closing share price of \$0.19 on 5 February 2024 (being the last full trading day prior to the announcement by MariaDB of a forbearance agreement with RPV);
- A 57% premium to MariaDB's closing share price of \$0.35 on 15 February 2024 (being the last date prior to the publication of K1's Possible Offer Announcement); and
- A 129% premium to MariaDB's average closing share price of \$0.24 over the 30 trading day period ending 15 February 2024.

K1 and affiliated entities also agreed to purchase the RPV Note. By acquiring the RPV Note, K1 will be in a position to remedy MariaDB's current insolvency position and put it on a sound financial footing, thereby making a proposed acquisition of MariaDB viable. At this date no other interested party has tabled a proposal that achieves this outcome. No other institutional investor support capable of execution has been forthcoming that can remedy the current insolvency and any court appointed or supervised process to explore alternative strategic options will attenuate the process of reaching a

potential resolution and potentially exacerbate the risk of further equity value being lost as MariaDB faces the prospect of being unable to meet its day-to-day obligations as they fall due.

K1, K5, Topco and Bidco have received irrevocable undertakings to accept the Offer in respect of in aggregate 34,912,697 MariaDB shares, representing in aggregate approximately 51.53% of the existing issued share capital of MariaDB as at 22 April 2024 (being the latest practicable date prior to the release of this Announcement). These undertakings continue to be binding in the event of a competing offer for MariaDB.

Accordingly, it is in this context that IBI Corporate Finance has concluded that the terms of the Cash Offer are fair and reasonable and would recommend that MariaDB Shareholders should accept the Cash Offer.

7. Information on MariaDB

MariaDB, headquartered in California and listed on NYSE, is a new generation database company whose products are used by companies big and small, reaching more than a billion users through Linux distributions, downloaded over one billion times, and used across all types of use cases and industries. Deployed in minutes and maintained with ease, MariaDB database products are engineered to support any workload and any scale – all while saving up to 90% of proprietary database costs. Trusted by organizations such as Bandwidth, DigiCert, InfoArmor, Oppenheimer and Samsung, MariaDB's software is the backbone of critical services that people rely on every day.

8. MariaDB incentive schemes, options and warrants

If required in accordance with Rule 15 of the Irish Takeover Rules, K1 and Bidco will make appropriate proposals in relation to the holders of securities convertible into, or rights or options to subscribe for, MariaDB Shares. Holders of such convertible securities, rights or options will be contacted at the time of the publication of the Offer Document. Further information on any relevant proposals will be set out in the Offer Document.

9. Financing of the Offer

The Cash Consideration payable by Bidco pursuant to the Offer will be funded through existing resources of K5, which are to be invested by them to fund Bidco pursuant to the Equity Commitment Letter.

Lazard & Co., Limited, acting as financial adviser to K1 and Bidco, is satisfied that sufficient resources are available to Bidco to enable it to satisfy in full the Cash Consideration payable under the terms of the Offer.

Further information on the financing of the Offer will be set out in the Offer Document.

10. Acquisition of RPV Note

Immediately prior to the publication of this Announcement, Topco has purchased from RPV, at a premium, all right, title, and interest in, to and under the senior secured promissory note in the original principal amount of \$26,500,000.00, dated as of 10 October 2023 (as amended on 10 January 2024), between MariaDB and RPV (the “**RPV Note**”). The consideration paid by Topco to RPV for the RPV Note was approximately \$62.4 million, plus approximately \$4.5 million comprised of accrued interest under the RPV Note and the transaction expenses of RPV. Pursuant to the terms of the RPV Note, Topco exercised its right to appoint two directors to the board of MariaDB. Consequently, Michael Fanfant and Yakov “Jack” Zubarev resigned as directors of MariaDB with effect from completion of the acquisition of the RPV Note. George Mansour and Jordan Wappler are appointed to the board of MariaDB as the nominees of the new holders of the RPV Note immediately following the release of this Announcement.

11. Irrevocable undertakings

- the Offer does not become unconditional in all respects (or the scheme of arrangement, if applicable does not become effective) by 31 December 2024.

12. Intentions regarding MariaDB and its management and employees

Intentions for the Future Business of MariaDB

Following completion of the Offer, K1 and Bidco intend to work closely with MariaDB in accelerating investment in organic growth opportunities, identifying inorganic growth opportunities to expand the overall size, scale and reach of MariaDB's solutions and product portfolio as well as focusing on key operational initiatives to position the company for sustainable long-term growth. K1's emphasis on value-added and long term partnership with MariaDB and focus on sustainable growth and innovation will allow the company to gain several strategic advantages, particularly in a private company context. Such benefits include: (i) ability to prioritize long term objectives, (ii) greater operating flexibility and ability to more swiftly adapt to market changes and pursue opportunities that align with its long-term vision and (iii) support from a capital partner with over \$14.9 billion in assets under management with operational and financial resources to help the company achieve its potential.

Intentions for Management and Employees

MariaDB has a team of passionate and talented employees who have worked hard to develop a robust set of products and services that today serve an impressive global customer base. K1 and Bidco intend to accelerate growth, allow high potential employees to develop their own careers and in turn enable the company to realize its full potential.

Following completion of the Offer, certain corporate functions which have historically been related to MariaDB's status as a publicly traded company may no longer be required or may be reduced in size to reflect MariaDB ceasing to be a public company. Following completion of the Offer, K1 and Bidco

intend to work with MariaDB's senior management team to review the operating performance of the business and align on operational best practices to implement in order to accelerate MariaDB's growth and operating profitability and over the long term, create greater employment opportunities for existing and prospective team members.

As at the date of this Announcement, the results of the review is uncertain, and no firm decisions have been made by K1 and Bidco in relation to specific actions which may be taken. K1 and Bidco do not have any intention of making material changes to the balance of skills and functions of MariaDB and do not expect their review to result in a material headcount reduction in the aggregate once implemented. Any headcount reductions will be carried out in accordance with applicable Law.

Intentions for Existing Employment Rights and Pensions

K1 and Bidco confirm that, where employees of MariaDB have existing employment rights, including pension rights, under applicable Law, those rights and agreements will be fully safeguarded in accordance with applicable Law following the Offer becoming unconditional to the extent valid and in good standing under applicable Law and such underlying agreements are effective. K1 and Bidco look forward to working with MariaDB's employees, customers and other stakeholders following the completion of the Offer.

Intentions for Management Incentive Arrangements

Following completion of the Offer, K1 and Bidco intend to review the management, governance and incentive structures of MariaDB. K1 and Bidco have not entered into, and have not agreed to nor memorialised any form of incentivisation arrangements with members of MariaDB's management, but may put in place incentive arrangements for certain members of the MariaDB's management team following completion of the Offer when appropriate under applicable Law.

Location of Business, Fixed Assets, Headquarters and Headquarter Functions

K1 and Bidco do not have plans to change the locations of business, headquarters or headquarters functions of MariaDB and intend to defer to any such decisions that may have been made by existing management, if any. K1 and Bidco do not intend to redeploy the fixed assets of MariaDB but may, in the future, consider and implement strategic alternatives concerning certain assets owned by MariaDB and locations of the business and headquarters.

Trading Facilities

MariaDB Shares are currently listed on the NYSE. As set out in paragraph 18, as soon as it is appropriate and possible to do so, applications will be made for the cancellation of the listing of MariaDB Shares on the NYSE.

13. Structure of the Offer

It is expected that the Offer Document and the Form of Acceptance accompanying the Offer Document will be published as soon as practicable, subject to the Irish Takeover Rules, and, in any event (save with the consent of the Irish Takeover Panel) within 28 days of this Announcement. In addition, Bidco will file with the SEC a Tender Offer Statement on Schedule TO, which will include the Offer Document, the Form of Acceptance and other documents containing important information about MariaDB and the Offer. The Offer Document, Form of Acceptance and Schedule TO will be made available to MariaDB Shareholders at no charge to them.

MariaDB Shareholders are urged to read the Offer Document and the accompanying Form of Acceptance, as well as the Schedule TO, when they are sent to them because they will contain important information.

If the Offer becomes or is declared unconditional in all respects and sufficient acceptances have been received, Bidco intends to apply the provisions of Section 456 to 460 of the Companies Act 2014 to

acquire compulsorily any outstanding MariaDB Shares not acquired or agreed to be acquired pursuant to the Offer or otherwise. If the Rollover Threshold has been met pursuant to the Offer, the Unlisted Unit Alternative will not be available to any MariaDB Shareholders during this compulsory acquisition process and each remaining MariaDB Shareholder will be deemed to have elected for the Cash Offer.

14. Unlisted Unit Alternative

Under the Unlisted Unit Alternative, Eligible MariaDB Shareholders may elect to receive, in lieu of the Cash Offer to which they are otherwise entitled, one unlisted, unregistered non-voting Class B unit of Topco (each, a **“Topco Rollover Unit”**) for each MariaDB Share. Eligible MariaDB Shareholders electing to participate in the Unlisted Unit Alternative (an **“Electing Shareholder”**) must make the election in respect of all (and not some) of their MariaDB Shares.

In aggregate, the maximum number of Topco Rollover Units available to be issued to Eligible MariaDB Shareholders under the Unlisted Unit Alternative will be limited to 15% of Topco’s fully diluted share capital (after issuance of all Topco Rollover Units to all Electing Shareholders) (the **“Rollover Threshold”**).

If the aggregate number of Topco Rollover Units to be issued to all Electing Shareholders exceeds the Rollover Threshold then each Electing Shareholder’s number of Topco Rollover Units to which they would otherwise have been entitled will be reduced on a pro-rated basis (based on the relative holdings of MariaDB Shares as of immediately prior to the Initial Closing Date (as defined in Appendix I of this Announcement) of all of the Electing Shareholders), and the consideration for each MariaDB Share that is not exchanged for Topco Rollover Units will be paid in cash in accordance with the terms of the Cash Offer.

Fractions of Topco Rollover Units will not be issued. Any fractional entitlements to Topco Rollover Units arising under the Unlisted Unit Alternative will be rounded down to the nearest whole number of Topco Rollover Units and the fractional entitlement will be settled in cash in accordance with the terms of the Cash Offer.

To the extent that the Rollover Threshold is not met (*i.e.*, the elections for the Unlisted Unit Alternative by Electing Shareholders result in the issuance of fewer Topco Rollover Units than the Rollover Threshold), then, following the Initial Closing Date, each Electing Shareholder will be offered the opportunity to subscribe in cash, at a value of \$0.55 per Topco Rollover Unit, after completion of the Offer for such number of additional Topco Rollover Units as shall equal the following: (i) the number of Topco Rollover Units equal to the Rollover Threshold *minus* (ii) the number of Topco Rollover Units issued to Electing Shareholders who elected to receive the Unlisted Unit Alternative in the Offer (the result of such calculation, the **“Available Excess,”** such further subscription opportunity, the **“Top Up,”** and the Electing Shareholders participating in the Top Up the **“Top Up Electing Shareholders”**); provided that, for clarity, in no event shall the aggregate issuance of Topco Rollover Units to all Electing Shareholders (including Top Up Electing Shareholders), including in the Top Up, exceed the Rollover Threshold. In the event that, in the Top Up, the aggregate subscriptions of Top Up Electing Shareholders exceed the Available Excess, then (a) such subscriptions will be subject to pro-ration based on the relative holdings of MariaDB Shares as of immediately prior to the Initial Closing Date of the Top Up Electing Shareholders; and (b) any fractional entitlements to Topco Rollover Units under the Top Up will be rounded down to the nearest whole number of Topco Rollover Units per Top Up Electing Shareholder.

Bidco may in its sole discretion, withdraw the Unlisted Unit Alternative if there are any Electing Shareholders whose election to receive the Unlisted Unit Alternative will require registration of the Topco Rollover Units under US securities law (and there is not an applicable exemption for

each such Electing Shareholder) (the "Rollover Withdrawal Right"). In the event Bidco exercises its Rollover Withdrawal Right, the Unlisted Unit Alternative will lapse, no Topco Rollover Units will be issued and the consideration payable in respect of each tendered MariaDB Share will be settled in cash in accordance with the terms of the Cash Offer. The Offer will be open for at least 10 business days after the announcement of Bidco's exercise of its Rollover Withdrawal Right. For the avoidance of doubt, the exercise by Bidco of the Rollover Withdrawal Right shall not otherwise affect any validly received tenders, nor shall it constitute a variation of the Offer.

Unless otherwise determined by Bidco or K1 or required by the Irish Takeover Rules, and permitted by applicable law and regulation, the Unlisted Unit Alternative is not being offered, sold or delivered, directly or indirectly, in or into any Restricted Jurisdiction (and so MariaDB Shareholders in such jurisdictions will not be eligible to elect to receive the Unlisted Unit Alternative).

In addition, MariaDB Shareholders who wish to elect for the Unlisted Unit Alternative will be required to provide certain "Know Your Client" information as requested by Topco and K1. Further details regarding this eligibility requirement will be set out in the Offer Document. Failure to provide the required information will result in elections to receive the Unlisted Unit Alternative being invalid and Eligible MariaDB Shareholders who made such an invalid election will instead receive the Cash Consideration for the number of MariaDB Shares in respect of which they purported to make an election to receive the Unlisted Unit Alternative.

If the Offer becomes Effective, Ineligible MariaDB Shareholders and Eligible MariaDB Shareholders who do not validly elect to receive the Unlisted Unit Alternative shall be deemed to have elected for the Cash Offer and will automatically receive the Cash Consideration due under the Cash Offer for their entire holding of MariaDB Shares.

The issue of any Topco Rollover Units pursuant to the Unlisted Unit Alternative will be in accordance with the mechanism described in paragraph 15 below and subject to the Conditions and further terms set out in this Announcement, including in Appendix I, and to be set out in the Offer Document. Further details regarding Topco and the rights of the Topco Rollover Units are set out in paragraphs 15 and 16 below.

For the purposes of Rule 24.11 of the Irish Takeover Rules, an appropriate advisor will provide an estimate of the value of a Topco Rollover Unit, together with the assumptions, qualifications and caveats forming the basis of its estimate of value, in a letter to be included in the Offer Document.

15. Structure of the Unlisted Unit Alternative

Topco units as a result of the Offer

The current equity capital of Topco consists of 1,000 units, issued solely to K5, which will become Class A units of Topco in connection with the closing of the Offer (the "**Class A Topco Units**"). If the Unlisted Unit Alternative was taken up in full by Eligible MariaDB Shareholders, and assuming the amount of MariaDB Shares that may be issued to MariaDB Equity Award Holders and MariaDB Warrant Holders prior to the Effective Date is consistent with the calculation set out in Appendix II to this Announcement, Topco's equity structure immediately following the Initial Closing Date (and the valid issuance of the Topco Rollover Units, which such issuance shall be completed on, or as promptly as practicable following, the Initial Closing Date) would be approximately as follows:

- (a) 225,134,526 Class A Topco Units issued to K5; and

- (b) 39,729,622 Topco Rollover Units (i.e., non-voting Class B units) issued to those Eligible MariaDB Shareholders who validly elect to receive the Unlisted Unit Alternative.

16. Risk factors and other investment considerations in respect of the Unlisted Unit Alternative

Eligible MariaDB Shareholders who elect to receive the Unlisted Unit Alternative will, pursuant to a power of attorney to be included in the Form of Election and/or the Offer Document, deliver a joinder pursuant to which they will be bound by Topco's LLC Agreement.

In addition, the attention of Eligible MariaDB Shareholders who may be considering electing to receive the Unlisted Unit Alternative is drawn to certain risk factors and other investment considerations relevant to such an election. These will be set out in full in the Offer Document and include, inter alia, the following:

Disadvantages of electing to receive the Unlisted Unit Alternative:

- (a) upon the Effective Date, Topco will be solely controlled by K5, who will exercise all decision-making powers relating to Topco and its Subsidiaries (including all members of the MariaDB Group) and the businesses thereof. Holders of the Topco Rollover Units, which will not carry any voting rights (other than those non-waivable voting rights, if any, required pursuant to applicable Delaware law) or rights to appoint (or vote for the appointment of) directors, officers or other control persons of Topco, will therefore have no influence over decisions made by Topco in relation to its investment in MariaDB or in any other business;
- (b) the Topco Rollover Units will be unquoted and will not be listed or admitted to trading on any exchange or market for the trading of securities, and will therefore be illiquid. In addition, the Topco Rollover Units will not be registered under US securities laws;
- (c) the Topco Rollover Units will be non-transferable, other than with the prior written consent of K5 (and then only in K5's sole and absolute discretion). The future monetisation of the Topco Rollover Units therefore remains entirely in the discretion of K5, subject to a customary "tag-along" right for Topco Rollover Units to be more fully described in the Offer Document;
- (d) the value of the Topco Rollover Units will at all times be uncertain and there can be no assurance that any such securities will be capable of being sold in the future or that they will be capable of being sold at the value to be estimated by an appropriate advisor in the Offer Document;
- (e) the Topco Rollover Units will be subject to a customary "drag-along" right. As a result, given its sole control over Topco (as described in paragraph (a), above), K5 will have sole and absolute discretion to "drag" the holders of Topco Rollover Units, at any time, into a future sale or change of control transaction involving Topco or any of its Subsidiaries (including MariaDB) and require such holders to sell or transfer their Topco Rollover Units, and K5 will therefore control the future monetisation of the Topco Rollover Units;

- (f) K5 will control the timing of distributions, dividends and payments of capital proceeds (in each case, if any) to the holders of Topco Rollover Units. There is no guarantee that Topco will make any such distributions, dividends or payments of capital proceeds at any time ((however, Topco Rollover Units will rank *pari passu* with Class A Topco Units in respect of any such distributions, dividends or payments of capital proceeds that are made));
- (g) Topco Rollover Units will carry no pre-emption rights and any participation by the holders of Topco Rollover Units in future issues of securities by the Topco Group will be at the discretion of K5 and also be subject to other important exceptions and risk. For example:
 - (i) holders of Topco Rollover Units will not be entitled to participate in any issues of securities to actual or potential employees, directors, officers or consultants of the Topco Group (whether of the same or different classes to the Topco Rollover Units);
 - (ii) if Topco introduces one or more management incentive plans for actual or potential employees, directors, officers and consultants of the Topco Group after the Effective Date that provide participants with an interest in securities in the Topco Group, such issue(s) could potentially significantly dilute the equity interests in Topco of the holders of Topco Rollover Units. In addition, the Topco Group may not receive material cash sums on the issue of any such securities and the returns on any such securities may potentially be structured to increase their proportionate interest in the value of the Topco Group as it increases in value (whether pursuant to a ratchet mechanism or otherwise); and
 - (iii) the holders of Topco Rollover Units will have no legal entitlement to participate in issues of securities by the Topco Group in any case, including in consideration for, or in connection with, its acquisition of other assets, companies or all or part of any other businesses or undertakings;
- (h) the holders of Topco Rollover Units will enjoy only limited minority protections and other rights to be more fully described in the Offer Document;
- (i) K5 may freely dispose of some or all of its Class A Topco Units, meaning that the holders of Topco Rollover Units may find themselves owning units in Topco alongside different owners. The Topco Rollover Units will benefit from a “tag-along” right (as noted above and to be more fully described in the Offer Document), but K5 will be able to dispose of some or all of its Class A Topco Units without triggering this tag-along right;
- (j) individual holders of Topco Rollover Units will have very limited control over the date(s) on and value(s) at which they may be able to realise their investment in the Topco Group;
- (k) holders of Topco Rollover Units will have no opportunity to convert their Topco Rollover Units into Class A Topco Units;
- (l) the MariaDB Shares are currently admitted to trading on NYSE and MariaDB Shareholders are afforded certain standards and protections, including in respect of disclosure. As a result. MariaDB Shareholders who receive Topco Rollover Units (being

unlisted, unregistered securities in a private company) will not be afforded protections commensurate with those that they currently benefit from as shareholders in MariaDB, including because Topco intends to rely on an exemption from registration under US securities laws and will therefore not be registering the Topco Rollover Units with the SEC. Except for certain limited information to be provided to holders of the Topco Rollover Units to be more fully described in the Offer Document and certain other financial information regarding Topco as the holders of Topco Rollover Units may reasonably request in writing from time to time (but no more frequently than annually), Topco's LLC Agreement will not provide holders of Topco Rollover Units with information rights;

- (m) there can be no certainty or guarantee as to the performance of the Topco Group or the MariaDB Group following the Effective Date, and past performance cannot be relied upon as an indication of future performance or growth;
- (n) there is no certainty as to the number of MariaDB Shareholders that will accept the Offer and therefore Topco may hold less than all of the MariaDB Shares following the Initial Closing Date and which, therefore, could impact the value of Topco's assets; and
- (o) MariaDB Shareholders will have no certainty as to the amount of Topco Rollover Units they would receive because:
 - (i) the maximum number of Topco Rollover Units available to MariaDB Shareholders under the Unlisted Unit Alternative will be limited to the Rollover Threshold; and
 - (ii) to the extent that elections for the Unlisted Unit Alternative cannot be satisfied in full, the number of Topco Rollover Units to be issued to each eligible MariaDB Shareholder who has elected for the Unlisted Unit Alternative will be reduced on a pro rata basis, and the consideration for each MariaDB Share that is not exchanged for Topco Rollover Units will be paid in cash in accordance with the terms of the Cash Offer.

Advantages of electing to receive the Unlisted Unit Alternative:

- (a) the Unlisted Unit Alternative allows Eligible MariaDB Shareholders to invest directly in Topco providing continued indirect economic exposure to MariaDB under private ownership; and
- (b) from completion of the Offer, the Topco Rollover Units will rank economically *pari passu* with the investment in Topco by K5, and will carry a pro rata entitlement to dividends, distributions and returns of capital.

17. Conditions to the Offer

The Offer is subject to the satisfaction or waiver (as applicable) of the Conditions, which are set out in full in Appendix I to this Announcement.

18. De-listing

It is intended that, subject to and following the Offer becoming Effective, as soon as it is appropriate and possible to do so, and subject to applicable requirements of the NYSE, Bidco intends to apply for, or cause MariaDB to apply for, the cancellation of the listing and trading of MariaDB Shares on the NYSE. Following cancellation of the listing and trading of MariaDB Shares on the NYSE, Bidco intends to procure that MariaDB is re-registered as a private company under the Companies Act 2014. Following the delisting of the MariaDB Shares from the NYSE, Bidco intends to, or to cause MariaDB to file, with the SEC a request that MariaDB's obligations under the Exchange Act be terminated if and when MariaDB is eligible to do so.

19. Disclosure of interests and short positions in MariaDB

As at the close of business on 22 April 2024, being the latest practicable date prior to this Announcement, none of K1, Bidco or any K1 Director or Bidco Officer or, so far as K1 is aware, any person acting, or deemed to be acting, in concert with K1:

- (a) had an interest in relevant securities of MariaDB;
- (b) had any short position in relevant securities of MariaDB;
- (c) had received an irrevocable commitment to accept the terms of the Offer in respect of relevant securities of MariaDB save for the irrevocable undertakings referred to in paragraph 9 above; or
- (d) had borrowed or lent any MariaDB Shares.

Furthermore, save for the irrevocable undertakings referred to in paragraph 11 above, no arrangement to which Rule 8.7 of the Irish Takeover Rules applies exists between K1, Bidco or a person Acting in Concert with K1 or Bidco in relation to MariaDB Shares. For these purposes, an "arrangement to which Rule 8.7 of the Irish Takeover Rules applies" includes any indemnity or option arrangement, and any agreement or understanding, formal or informal, of whatever nature, between two or more persons relating to relevant securities which is or may be an inducement to one or more of such persons to deal or refrain from dealing in such securities.

substantially the same terms, so far as applicable, as those which would apply to the Offer, subject to appropriate amendments (including to statutory voting requirements) to reflect the change in method of implementing the Offer.

Cautionary statement regarding forward looking statements

This document (including information incorporated by reference in this document), oral statements made regarding the Offer, and other information published by MariaDB, K1 or any member of the K1 Group contain statements which are, or may be deemed to be, "forward looking statements". Such forward looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and on numerous assumptions regarding the business strategies and the environment in which any member of the K1 Group (including, after closing of the Offer, any member of the MariaDB Group) shall operate in the future and are subject to risks and uncertainties that could cause actual results to differ materially from those expressed or implied by those statements. The forward looking statements contained in this document relate to K1, any member of the K1 Group's (including, after closing of the Offer, any member of the MariaDB Group) future prospects, developments and business strategies, the expected timing and scope of the Offer and other statements other than historical facts. In some cases, these forward looking statements can be identified by the use of forward looking terminology, including the terms "believes", "estimates", "will look to", "would look to", "plans", "prepares", "anticipates", "expects", "is expected to", "is subject to", "intends", "may", "will", "shall" or "should" or their negatives or other variations or comparable terminology. By their nature, forward looking statements involve risk and uncertainty because they relate to events and depend on circumstances that shall occur in the future. These events and circumstances include changes in global, political, economic, business, competitive, and market conditions and regulatory forces, future exchange and interest rates, changes in tax rates and future business combinations or disposals. If any one or more of these risks or uncertainties materialises or if any one or more of the assumptions prove incorrect, actual results may differ materially from those expected, estimated or projected. Such forward looking statements should therefore be construed in the light of such factors.

Neither K1 nor any member of the K1 Group, nor any of their respective associates or directors, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward looking statements in this document shall actually occur. Given these risks and uncertainties, potential investors, including those investors electing to receive the Unlisted Unit Alternative, should not place any reliance on forward looking statements. The forward looking statements speak only as of the date of this document. All subsequent oral or written forward looking statements attributable to any member of the K1 Group, or any of their respective associates, directors, officers, employees or advisers, are expressly qualified in their entirety by the cautionary statement above. K1 and the K1 Group expressly disclaim any obligation to update such statements other than as required by law or by the rules of any competent regulatory authority, whether as a result of new information, future events or otherwise.

Disclosure requirements of the Irish Takeover Rules

Under Rule 8.3(b) of the Irish Takeover Rules, if any person is, or becomes, 'interested' (directly or indirectly) in 1% or more of any class of 'relevant securities' of MariaDB, all 'dealings' in any 'relevant securities' of MariaDB or any securities exchange offeror (including by means of an option in respect of, or a derivative referenced to, any such 'relevant securities') must be publicly disclosed by not later than 3:30 pm (U.S. Eastern Time) on the 'business day' following the date of the relevant transaction. This requirement will continue until the 'offer period' ends. If two or more persons cooperate on the basis of any agreement either express or tacit, either oral or written, to acquire an 'interest' in 'relevant securities' of MariaDB, they will be deemed to be a single person for the purpose of Rule 8.3 of the Irish Takeover Rules.

Dealing Disclosures must also be made by any offeror and by any persons acting in concert with them in accordance with Rule 8.2 of the Irish Takeover Rules.

In general, interests in securities arise when a person has long economic exposure, whether conditional or absolute, to changes in the price of the securities. In particular, a person will be treated as having an 'interest' by virtue of the ownership or control of securities, or by virtue of any option in respect of, or derivative referenced to, securities.

Terms in quotation marks are defined in the Irish Takeover Rules, which can be found on the Irish Takeover Panel's website.

Details of the offeree company in respect of whose relevant securities Dealing Disclosures must be made can be found in the Disclosure Table on the Irish Takeover Panel's website at www.irishtakeoverpanel.ie, including details of the number of relevant securities in issue, when the offer period commenced and when any offeror was first identified. If you are in any doubt as to whether or not you are required to disclose a 'dealing' under Rule 8, please consult the Irish Takeover Panel's website at www.irishtakeoverpanel.ie or contact the Irish Takeover Panel at telephone number +353 1 678 9020.

No statement in this Announcement constitutes an asset valuation.

Right to switch to a Scheme

K1 and Bidco reserve the right, with the consent of the Irish Takeover Panel and MariaDB, to elect to implement the acquisition of the MariaDB Shares by way of a scheme of arrangement of MariaDB under the Companies Act 2014. In such event, the scheme of arrangement will be implemented on substantially the same terms, so far as applicable, as those which would apply to the Offer, subject to appropriate amendments (including to statutory voting requirements) to reflect the change in method of implementing the Offer.

To the fullest extent permitted by applicable Law, the companies and persons involved in the Offer (including the Unlisted Unit Alternative) disclaim any responsibility and liability for the violation of such restrictions by any person.

Unless otherwise determined by Bidco or K1 or required by the Irish Takeover Rules, and permitted by applicable law and regulation, the Offer (including the Unlisted Unit Alternative) will not be made available, directly or indirectly, in any Restricted Jurisdiction, and the Offer will not be capable of acceptance from within a Restricted Jurisdiction where to do so would violate the laws in that jurisdiction.

The release, publication or distribution of this Announcement in or into certain jurisdictions may be restricted by the laws of those jurisdictions. Accordingly, copies of this Announcement and all other documents relating to the Offer (including the Unlisted Unit Alternative) are not being, and must not be, released, published, mailed or otherwise forwarded, distributed or sent in, into or from any Restricted Jurisdiction. MariaDB Shareholders who are in any doubt regarding such matters should consult an appropriate independent professional adviser in the relevant jurisdiction without delay.

Further details in relation to overseas shareholders shall be contained in the Offer Document.

If you are a resident of the United States, please read the following:

This Announcement is not intended to, and does not, constitute or form part of any offer (including the Offer), invitation or the solicitation of an offer to purchase, otherwise acquire, subscribe for, tender, exchange, sell or otherwise dispose of, any securities, or the solicitation of any vote or approval in any jurisdiction, nor will there be any acquisition or disposition of the securities referred to in this Announcement in any jurisdiction in contravention of applicable Law or regulation.

This Announcement is not a substitute for the Offer Document and the Form of Acceptance or any other document that Bidco may file with the SEC in connection with the Offer, if any. A solicitation and an offer to buy MariaDB Shares will be made pursuant to a Tender Offer Statement on Schedule TO that Bidco intends to file with the SEC. At the time the tender offer is commenced, MariaDB will file a Solicitation/Recommendation Statement on Schedule 14D-9 with the SEC with respect to the tender offer. MARIADB SHAREHOLDERS ARE URGED TO READ ANY SUCH DOCUMENTS FILED WITH THE SEC CAREFULLY IN THEIR ENTIRETY IF AND WHEN THEY BECOME AVAILABLE BECAUSE THEY WILL CONTAIN IMPORTANT INFORMATION ABOUT THE OFFER. SUCH DOCUMENTS SHOULD BE READ CAREFULLY BEFORE ANY DECISION IS MADE WITH RESPECT TO THE OFFER. The Offer, if made, will be made in the United States pursuant to the Exchange Act and otherwise in accordance with the requirements of the Irish Takeover Rules. Accordingly, the Offer will be subject to disclosure and other procedural requirements, including with respect to withdrawal rights, offer timetable, settlement procedures and timing of payments that may be different from those typically applicable under U.S. domestic tender offer procedures and law. In addition, the Offer Document and any other documents relating to the Offer have been or will be prepared in accordance with the Irish Takeover Rules and Irish disclosure requirements, format and style, all of which may differ from those in the United States.

MariaDB is incorporated under the laws of Ireland. The director on the MariaDB Board at the date of this Announcement is resident in a country other than the United States. As a result, it may not be possible for United States holders of MariaDB Shares to effect service of process within the United States upon MariaDB or the director of MariaDB or to enforce against any of them judgements of the United States predicated upon the civil liability provisions of the federal securities laws of the United States. It may not be possible to sue MariaDB or its officers or director(s) in a non-US court for violations of US securities laws. In addition, US holders of MariaDB Shares should be aware that, if K1 and Bidco elect to proceed pursuant to a scheme of arrangement (as described herein), the federal securities laws of the United States may not be applicable.
