TENDER OFFER EXPIRATION

On 24 May 2024, Meridian BidCo LLC ("**Bidco**") made an offer to acquire the entire issued and to be issued share capital of MariaDB plc ("**MariaDB**") (the "**Offer**") with the terms and conditions of the Offer set out in the offer document despatched and filed by Bidco as Exhibit (a)(1)(A) to the Tender Offer Statement and Rule 13e-3 Transaction Statement filed on Schedule TO with the US Securities and Exchange Commission (the "**SEC**") on 24 May 2024 (the "**Offer Document**"). On 24 June 2024, Bidco filed an amended and restated Offer Document with the SEC to reflect the exercise of the Rollover Withdrawal Right, the withdrawal of the Unlisted Unit Alternative and certain updates to disclosures. On 5 July 2024, Bidco filed an amendment and supplement to the Offer Document and Tender Offer Statement on Schedule TO with the SEC to reflect certain further updates to disclosures.

On 10 July 2024, Bidco announced that it had formally lowered the Acceptance Condition for its Offer for MariaDB, that the revised Acceptance Condition had been satisfied and that the Offer had become unconditional as to acceptances.

Offer Unconditional in all Respects

Bidco today announces that as of 5:00 p.m. (New York City time) on 23 July 2024 (the "**Expiration Time**"), all remaining Conditions to the Offer were satisfied, fulfilled, or to the extent permitted, waived. Accordingly, Bidco is pleased to announce that the Offer has now become unconditional in all respects and is now closed to further acceptances with effect from the Expiration Time.

Settlement of Consideration

For acceptances that have been received which are valid and complete in all respects and not properly withdrawn prior to the Expiration Time, the cash consideration payable will be settled in accordance with the terms of the Cash Offer on a date promptly following the Expiration Time, which is currently expected to be 25 July 2024.

Acceptances Update

Bidco is pleased to announce that as of 5:00 p.m. (New York City time) on 23 July 2024, it received valid acceptances in respect of a total of 61,263,283 MariaDB Shares, representing 88.70% of the issued share capital of MariaDB as of 22 July 2024.

As further detailed in the Offer Document, Bidco had received irrevocable undertakings to accept the Offer from various parties, in respect of a total of 47,402,907 MariaDB Shares, representing 68.63% of the issued share capital of MariaDB as of 22 July 2024.

As of 5:00 p.m. (New York City time) on 23 July 2024, valid acceptances had been received from MariaDB Shareholders of record in respect of a total of 22,200,114 MariaDB Shares which were subject to such irrevocable undertakings, representing 32.14% of the issued share capital of MariaDB as of 22 July 2024.

Bidco also received irrevocable undertakings to accept the Offer from certain other MariaDB Shareholders who held their MariaDB Shares through a broker, dealer, commercial bank, trust company or other nominee representing 25,202,793 MariaDB Shares, or 36.49% of the issued share capital of MariaDB as of 22 July 2024. Given the manner in which those MariaDB Shares were held in The Depositary Trust Company's ("**DTC**") system and tendered through those intermediaries, it is not possible for Bidco to identify whether valid acceptances have been received from each individual MariaDB Shareholder that holds those MariaDB Shares.

Save as set out above, neither Bidco nor, as far as Bidco is aware, any person acting in concert with Bidco had any other interests in MariaDB Shares.

Compulsory Acquisition

As previously announced, Bidco now intends to apply the provisions of Sections 456 to 460 of the Companies Act 2014 to acquire compulsorily, on the same terms as the Offer, any outstanding MariaDB Shares not acquired or agreed to be acquired pursuant to the Offer.

Bidco will shortly send compulsory acquisition notices (the "**Notices**") to those MariaDB Shareholders who have not yet accepted the Offer (the "**Non-Assenting Shareholders**"). Following the expiration of 30 calendar days from the date of the Notices, unless a Non-Assenting Shareholder has applied to the Irish High Court and the Irish High Court orders otherwise, the MariaDB Shares held by Non-Assenting Shareholders will be acquired compulsorily by Bidco on the same terms as the Offer.

Capitalised terms used but not defined in this announcement have the same meaning given to them in the Offer Document (as amended and restated and supplemented).

Forward Looking Statements

This announcement (including any information incorporated by reference in this announcement), oral statements made regarding the Offer, and other information published by MariaDB, Bidco, K1 or any member of the K1 Group contain statements which are, or may be deemed to be, "forward looking statements." Such forward looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and on numerous assumptions regarding the business strategies and the environment in which any member of the K1 Group (including, after closing of the Offer, any of MariaDB and its subsidiaries and subsidiary undertakings (the "**MariaDB Group**")) shall operate in the future and are subject to risks and uncertainties that could cause actual results to differ materially from those expressed or implied by those statements. The forward looking statements contained in this announcement relate to K1, any member of the K1 Group's (including, after closing of the Offer, any member of the MariaDB Group) future prospects, developments and business strategies, the progress of the compulsory acquisition process, the outcome of legal proceedings that may be instituted against the K1 Group and/or others relating to the Offer, potential adverse reactions or changes to business relationships resulting from the completion of the Offer, significant or unexpected costs, charges or expenses resulting from the Offer, negative effects of this announcement or the consummation of the Offer on the market price of MariaDB's Shares, and potential failure to realize the expected benefits of the Offer and other statements other than historical facts. In some cases, these forward looking statements can be identified by the use of forward looking terminology, including the terms "believes," "estimates," "will look to," "would look to," "plans," "prepares," "anticipates," "expects," "is expected to," "is subject to," "intends," "may," "will," "shall" or "should" or their negatives or other variations or comparable terminology. By their nature, forward looking statements involve risk and uncertainty because they relate to events and depend on circumstances that shall occur in the future. These events and circumstances include changes in global, political, economic, business, competitive, and market conditions and regulatory forces, future exchange and interest rates, changes in tax rates and future business combinations or disposals. If any one or more of these risks or uncertainties materialises or if any one or more of the assumptions prove incorrect, actual results may differ materially from those expected, estimated or projected. Such forward looking statements should therefore be construed in the light of such factors. Neither K1, Bidco nor any member of the K1 Group, nor any of their respective associates or directors, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward looking statements in this announcement shall actually occur. The forward looking statements speak only as of the date of this announcement. All subsequent oral or written forward looking statements attributable to any of K1 and all of its affiliates, including K5 (the "**K1 Group**"), or any of their respective associates, directors, officers, employees or advisers, are expressly qualified in their entirety by the cautionary statement above. K1 and the K1 Group expressly disclaim any obligation to update such statements other than as required by law or by the rules of any competent regulatory authority, whether as a result of new information, future events or otherwise.
